## DEZIGN

(A Synopsis for a Feature Film)

*From: Bernard Warren, CEO,*

*To: Whom It Concerns,*

“DEZIGN” is a feature length film about the interior design business. Here we have a situation going on in the Design world where there is always drama, controversy, back stabbing, and kicking a man while he is down, and on the other hand, we have this Hollywood glory and glamour wrapped up in paint, plaster, and professionalism.

Dezign is a feature film script for a movie with the following people in mind: Jamie Foxx as the lead character full of love and deceit and homosexuality to under cover dirt in the business, except, it does not materialize the way he thinks it will, and then there is Cedric the Entertainer, Foxx’s road dog, dog of all dogs that has his back, but he too does not know the mystery behind the man, and there is Oprah, the wickedest competition design judge who gives all a very hard time, and Sharon Stone – a la vixen, a competitor in show of all shows in this design madness, and last but not least Patrick Swayze, and a real designer by trade, Kenneth Brown, playing the design game with full uncontrolled madness.

### Purpose

Designers meet in Las Vegas for the year’s biggest design fest. Pre competition scoring takes place in Los Angeles. Those who make the cut arrive in Las Vegas not only to do a design show, but to get publicity a forehand, so raucous, unadulterated behavior takes place in a no bar arena. Everyone is dirty, sneaky – just plain nasty. This is a fun vehicle where the writer brings out the best in each character to fulfill the fantasy about design and interior design. The movie showcases some dilemmas that take place in an interior design protocol. Dezign is a comedy with heart and meaning.

**Opening Scene:** Early MORNING with a gorgeous radiant sky over LOS ANGELES.

MORNING with a gorgeous radiant sky over LOS ANGELES.

CAMERA PANS TO Two overtly Gay MEN switching and strolling through the parking lot of the 3<sup>rd</sup> Street designer fabrics stores. They are adorned with a variety of stylish clothing and jewelry but it is over done, and this alone shows a clash with their terms of femininity.

Each man is laden with bolts of fabrics; etc, in both hands/arms. They are talking a mile a minute about the biggest Interior Design fest coming up shortly.

CAMERA MOVES IN CLOSE TO REVEAL DELICIOUS AND TONI'S FACES AS THEY TALK

DELICIOUS

Bet big time money on it... everyone and their momma will be outdoing each other through Design to the T...

TONI

Doing each other sounds more like it!  
Who are the judges?

DELICIOUS

They not gonna reveal judges this early.  
Be safe don't insult nobody!

CAMERA PANS TO Several male/female composites walking and talking about the fest, (ADLIBS). One androgynous male looks endearingly at TONI who is oblivious. Another male, SAYED, says:

SAYED

He's Delicious and he won't give you the time of day! Worked his way up through the garment district and has acquired an outstanding reputation, but he is a potty mouth when it comes to principles - his principles.  
So, just ignore him!

CAMERA PANS BACK TO DELICIOUS AND TONI

DELICIOUS

Look at DELAHUNT...

TONI  
Where?

DELICIOUS  
Driving around the parking lot as if he has  
mad bitch disease!

CAMERA PANS TO DELAHUNT IN A CONVERTIBLE SPORTS CAR

TONI  
Well, a bitch like DELAHUNT is really a lot  
to deal with...I'll just ignore him!

DELICIOUS  
Yeah, yeah. Dangerous minds are dangerous  
bodies that do dangerous things.

DELAHUNT drives like a mad man towards them and DELICIOUS and TONI  
jump out of the way as everything falls to the ground. DELAHUNT stops a short  
distance away.

DELAHUNT  
Where you bitches going?

TONI  
Delahunt, I told you before that your daddy gave you  
some really bad genes... So, stop harassing me the way  
you always do! I'm tired of all this unnecessary bullshit.  
When I ignore a man - I mean it. I'm not playing hard to  
get. I really, really, mean it.

DELAHUNT  
Gee, baby!

CAMERA PANS DOWN TO THE FALLEN MATERIAL

CAMERA PANS UP AND SEES THE VERY SENSUOUS AND SENSUAL TONI PICK UP  
BOLTS, ETC.

MUSIC: 50 CENTS "JUST A LITTLE BIT"

DELAHUNT  
Let me help you, baby!
